

Palm Beach County Immunization Requirements School Year 2009-2010

Florida Certificate of Immunizations, Form DH 680, is the only document that the schools are permitted to accept as proof of immunization.

(This form is available through local physicians, Palm Beach County Health Department School Health Division, Palm Beach County Health Department Clinical Health Centers, other local medical providers.)

Shots may be obtained through your local physician, Palm Beach County Health Department Health Centers or Palm Beach County Health Department Immunization Van located throughout the county.

REQUIRED

Diphtheria/Tetanus/Pertussis (DTaP)
Polio Series
Measles/Mumps/Rubella (MMR)
Hepatitis B Series (Hep B)
Varicella
Pneumococcal –children 2-24 months entering childcare

By the time your child starts school he/she should have already had a number of required immunizations. However, proof of updates, boosters, and series completion is required to enter Palm Beach County Schools for the first time and to advance to some grade levels. A physical is required for entrance to Pre-kindergarten, kindergarten and those entering 7th grade.
