Information on the Palm Beach County Health Department Vaccination Outreach locations and appointments at our Health Centers are available by calling our toll-free Palm Beach County Flu Information line at **1-888-411-4FLU (4358)** or visiting our website at [www.FightFluFlorida.com](http://www.FightFluFlorida.com).

Health Department Director Dr. Alina Alonso says, “Flu season is here, and it’s still not too late to get vaccinated, especially since this virus has been active during the off-season summer months and the H1N1 vaccine offers long term protection against the virus.”

**As always, practice flu prevention:**

- **Avoid close contact with people who are coughing or otherwise appear ill.**
- **Avoid touching your eyes, nose and mouth.**
- **Cover your cough and sneezes**
- **Wash hands or use hand sanitizers frequently to lessen the spread of respiratory illness.**
- **Stay home if you are sick.**
- **Get Vaccinated!**
