No charge for immunizations for children birth – 18 years of age and in high school. Your children's immunization records are very important, without the records, we cannot give immunizations. If there are absolutely no immunization records, child's entire series of immunizations will have to be started over. If available, please bring your child's social security card. If you have Health Care District or Medicaid, please bring the card with you. There may

be a waiting time prior to getting the shots, please bring a snack for your child to eat.

ATTENTION PARENTS!! If your child is going into K or 7th grade next year, he/she may need immunizations. Please don't wait! Get them now.
For further information call: (561) 840-4568, or toll-free, 1(800) 810-1225.
