

**Palm Beach County Health Department
COMMUNITY IMMUNIZATION SERVICES**

Immunization Van Schedule

August 2010

Due to an overwhelming number of clients, please arrive 30 minutes before an outreach to complete the registration process.

Registration may be stopped early when the maximum number of clients is reached

Please see the back page for the list of programs and health centers offering immunizations

No charge for immunizations for children birth – 18 years of age and in high school. Your children’s immunization records are very important, without the records, we cannot give immunizations. If there are absolutely no immunization records, child’s entire series of immunizations will have to be started over. If available, please bring your child’s social security card.

If you have Health Care District or Medicaid, please bring the card with you. There may be a waiting time prior to getting the shots, please bring a snack for your child to eat.

ATTENTION PARENTS!! If your child is going into K or 7th grade next year, he/she may need immunizations. Please don’t wait! Get them now.

For further information call: (561) 840-4568, or toll-free, 1(800) 810-1225.
